integrated video communication systems
for corporate headquarters of real estate giant

The Wadhwa Group is amongst the most eminent real estate companies of Mumbai and it was only fitting that it installed a world-class communication environment facilitating a seamless exchange of ideas, presentations and meetings.

The Challenge

Over 40 years, The Wadhwa Group has built for itself an unshakable reputation for quality, efficiency, trust, meticulous planning, top quality amenities, superlative designs, timely completion, guaranteed possessions and handing over of projects.

With over 800 projects completed and 10 million square feet delivered,
The Wadhwa Group ranks amongst the most eminent real estate companies of Mumbai.

When this Group needed a seamless blend of technology and expertise to ensure that they offered the best of both to their stakeholders, the challenge was indeed enormous.

Their Mumbai headquarters needed a metamorphosis to meet the audio-visual requirements of various activities like meetings, conferencing, briefings, information management and more.

integrated video communication systems

The Solution

A high-end **Video Wall** for the Briefing Centre

management as well as a **Boardroom** at the Wadhwa headquarters.

High-tech AV technology was deployed at the **Personal Conference Room** of the Group MD, Mr. Wadhwa himself.

A **contemporary Auditorium** is used for project briefings and presentations and an **Audio Library** archives information on all projects at Wadhwa.

The entire office is equipped with **paging systems**, **wi-fi phones** and **digital signage** and the work spaces have background music for a pleasant ambience. The same system also serves to alert all occupants in the event of emergencies.

The Actis Professional Services Group carefully evaluated the client's requirements and constructed the best possible solution to meet these.

A specialised **Briefing Centre with a large Video Wall** was the key aspect of this project; it impressively showcases eminent projects undertaken by the Wadhwa Group to its clients and stakeholders.

Other solutions included cutting edge meeting rooms with **videoconferencing** systems and **advanced lighting solutions**, cabins for senior

A contemporary **Auditorium** for project briefings and more

The Result

Installed in a way that requires minimum user intervention and training, the Actis Solution for The Wadhwa Group provides complete control of the audio-visual equipment installed across the premises.

From the modern briefing centre to the hi-tech boardroom to the videoconferencing setups in meeting rooms and the wi-fi phones across the office, every little aspect has been carefully included and integrated to ensure a seamless communication experience - exactly as desired by the client.

The result is a **hi-tech office space** that brings to life the ultimate in business communication.

“*Actis has impressively integrated design and technology to create a world-class facility for our headquarters. We value their expertise and thank them for their support and solutions.*”

Navin Makhija
